

## Weeding and Wining Group

The Weeding and Wining group is a team of 30+ people with approximately 12-16 regular attendees. We meet every other Thursday evening beginning 4/16 to maintain the gardens and at the main beach throughout the summer. We work together to plant, weed, water and cleanup plants as needed, gardening for about an hour then socializing for another hour enjoying wine and food brought by the team.

If you like to garden or if you are just looking for an activity where you can meet and socialize with your neighbors, please feel free to join us at the stand at 5:00/5:30 (to garden) or 6:00/6:30 (for social hour). We all bring an appetizer or dessert as well as wine or drink of choice. If you cannot garden or are just looking for a social outlet, please join us an hour after the time on the schedule below and bring an appetizer or dessert to share with the gardeners.
